Ain't it Great to be Crazy

Boom, boom, ain't it great to be crazy (x2)
Silly and foolish all day long
Boom, boom, ain't it great to be crazy

I know a guy by the name of Bill,
Lives way down at the bottom of the hill,
Never washes and he never will,
Come on guys let's spit on Bill.

Way down south where bananas grow,
A flea stood on an elephants toe,
The elephant said with tear in his eye,
Pick on someone your own darn size.

A horse, a flea and 3 blind mice,
Sat in a barnyard shooting dice.
The horse slipped and fell on the flea,
Whoops said the flea, there's a horse on me.

Way down south where the grass grows green,
Pussycat sat on a sewing machine.
Machine was a singer and began to hum,
And it stitched up the hole in the pussycats bum.
**Animal Fair**

(2 parts)

I went to the animal fair
The birds and the bees were there
The blue baboon by the light of the moon
Was combing his auburn hair.
The monkey fell out of his bunk (clap)
And slid down the elephants trunk (whee)
The elephant sneezed and fell on his knees
But what became of the monkey
... Monkey, monkey, monkey and monkey?

---

**Battle of Waterloo**

(Actions)

One rainy day at the battle of Waterloo
The brigade made a glorious charge
To show what it could do and they charged
With a song -
1 arm
Repeat with -
2 arms
1 leg
2 legs
1 hip
2 hips
1 head

**Andy the Camel**

Andy the camel has 10 humps (x3)
So go Andy go bum, bum, bum
Andy the camel has 9 humps (x3)
So go Andy go bum, bum, bum ...

Andy the camel has 0 humps
Coz Andy is a horse!
Bear Hunt (echo song)

We're going on a bear hunt
We're not scared
Coz we've got guns
And bullets, lots of them.

We're coming to a river
Can't go round it,
Can't go over it,
Can't go under it,
We'll have to go through it.

We're coming to a mountain,
Can't go through it,
Can't go round it,
Can't go under it,
We'll have to go over it.

We're coming to a swamp
Can't go over it,
Can't go round it,
Can't go under it,
We'll have to go through it.

We're coming to a cave
It's very dark inside
There's something moving
It's big and furry

Bear Song

It's a bear (scream)
We were on a bear hunt
We weren't scared
Coz we had guns
And bullets, lots of them.

(Bear Song - echo each half line and then whole verse)

The other day, I met a bear,
Up in the woods, away up there.

(After whole verse is repeated) Do do do do do do

He looked at me, I looked at him,
He sized up me, I sized up him.

Do do do do do do.

He said to me, why don't you run,
Coz I see you, ain't got no gun.

Do do do do do do.

And so I ran, away from there
But right behind, me came that bear

Do do do do do do.

Ahead of me, I saw a tree,
A great big tree, Oh Lordy me

Do do do do do do.
The nearest branch, was 10 feet up
I had to jump, and trust my luck

And so I jumped, into the air
But I missed that branch, away up there.

But don’t you fret, and don’t you frown
I caught that branch, on my way down

That’s all there is, there ain’t no more
Unless I meet, that bear once more

But I did meet, that bear once more
He was a rug, upon my floor

The end, the end
The end, the end,
The end, the end,
The end, the end.....

Birdy, birdy
Drop a little whitewash in my eye
Took it home and I fed it bread
Then I crushed his little head

Chicken bones and chicken breast
CHILD holidays are the best.

I don’t know but I’ve been told
_________ is/are as good as gold.
**Blue Moon**

1 banana, 2 banana, 3 banana, 4 banana
1 banana, 2 banana, (clap) 3 banana, 4 banana

Blue Moon, you saw me standing alone
Without a dream in my heart
Without a love of my own.

**Boa Constrictor**

I'm being eaten by a boa constrictor
A boa constrictor, a boa constrictor
I'm being eaten by a boa constrictor
And I don't like it one little bit.

Oh no, it's up to my toe,
Oh gee, it's up to my knee,
Oh sigh, it's up to my thigh,
Oh fiddle, it's up to my middle,
Oh heck, it's up to my neck,
Oh dread, it's up to my ... GULP!

**Boat Song**

(Sit down for this song)

A boat sailed from China with a cargo of tea
All laden with presents for you and for me.
It brought me a fan and imagine my bliss
When I found myself going like this, like this, like this...
- Move right arm in action of waving a fan
- Move left arm in action of waving a fan
- Move right leg
- Move left leg
- Move head, etc.

**Canoe Song**

Just a boy and a girl in a little canoe  
With the moon shining all around  
And they piled their paddles so  
You could hardly hear a sound  
And they talked, and they talked  
Til the moon grew dim  
He said ‘You better kiss me or get in and swim’.  
So what you gonna do in a little canoe  
With the shining all a boys kissing all a  
Girls swimming all around.

**Everywhere We Go**  
*(echo song)*

Everywhere we go  
People always ask us  
Who we are  
And where do we come from  
And we tell them  
We’re from CHILD  
And if they don’t hear us  
We’ll shout a little louder.

**Elephant Song**

There’s a large animal on a bicycle.  
It’s an elephant, it is quite evident  
It has a tail behind and another one in front

**Favourite Spider**

Last night my favourite spider died  
Some say he committed suicide  
Some say he tried to spite us  
With spider meningitis  
He was a funny old spider anyway

Glory, Glory
(repeat first line of chorus and verse 3 times)

Glory, glory, what a terrible way to die
And he ain't gonna jump no more

He jumped from 30,000 feet without a parachute
And he ain't gonna jump no more.

They scrapped him off the pavement like a lump of strawberry jam
And he ain't gonna jump no more.

They put him in an envelope and they sent him home to mum
And he ain't gonna jump no more.

She put him on the mantelpiece for everyone to see
And he ain't gonna jump no more.

She put him down the toilet, flushed the chain and he was gone
And he ain't gonna jump no more.
Honey

Can't love 8 and not be late
Can't love 9 and still be mine
Can't love 10 coz there ain't enough men.

I Wanna Linger

Hmmm I want to linger
Hmmm a little longer
Hmmm a little longer here with you
It's such a lovely night, it doesn't seem quite right
That this should be my last night here with you.
Bum, bum, bum,
And as the years go by, I'll think of you and sigh
It's cheerio and not good-bye
And come September, I will remember
My holiday friendships dear and true.

I Wonder Why

I wonder why I ever had to pick my nose,
Perhaps it's because of all those juicy crows.
But I'm gonna get them as soon as I can,
And spread them on my toast instead of strawberry jam.
It's crazy but it's true, my fingernail is after you.

Bum bum bum oh a ama ama oh a ama ama oh a ama ama oh (x2)

I wonder why I ever had to comb my hair,
Perhaps it is because of all the dirty bugs there.
But I'm gonna get them as soon as I can,
And put them in to pop in the frying pan.
It's crazy but it's true, my brush and comb are after you.

In a Cottage

Little rabbit Frou Frou running through the forest
Scooping up the field mice and bash 'em on the head

Scooping up the field mice and bash 'em on the head
I'm going to give you 3 chances
To change your evil, low down despicable ways
And if you don't I'm going to turn you into a goon
But the very next day...
(Repeat with 2 chances, 1 chance, then..)
And the moral of the story is

Lonely Little Petunia

I'm a lonely little petunia in an onion patch,
An onion patch, an onion patch.
I'm a lonely little petunia in an onion patch

**The Dunne Song** (actions)

For there was high Dunne and low Dunne
Underdone and over done
All the other little Dunnes in and out they run.
For there was old Dunne and young Dunne,
Young Dunnes youngest son
Young Dunne will be a Dunne when ole Dunne's done.

I once was well acquainted,
With a man named Joseph Dunne,
A very respectable sort of man,
Was fond of harmless fun.
He courted young and married so
At the age of 21
And a very respectable family
Had Mr and Mrs Dunne.

In course of time this Joseph Dunne,
He found himself a wife.
And soon he found he had to fight
The hardest fight of life.
To feed 10 empty bellies
And a wife that weighed a tonne.
For any man who can do all that
You've got to say 'Well done!'

Well here's the youngest son of Dunne,
Likewise to the eldest Dunne.
And here's to the youngest son of Dunne,
When the eldest Dunne is done.
For any man can be well done,
In this big wicked world.
What's done by Dunne must be well done,
So well done good old Dunne.
The Ford Song

Honk honk, rattle rattle rattle, crash, beep beep (x3)
Honk honk, whoo, crash, beep beep

I'm just a little ole pile of tin,
Nobody knows what state I'm in.
I've got four wheels and a running board,
I'm a ford, I'm a ford.

I know a girl who's on TV,
And I'm gonna ask her to marry me.
When she's on I'm never bored,
Anna Ford, yes, Anna Ford.

Romeo and Juliet,
On a balcony they met.
Romeo said let's have a date,
Along came Shakespeare with his 48.

Coca cola went to town,
Diet Pepsi shot him down.
Dr Pepper fixed him up,
Now they're drinking 7UP.

The Unicorn Song

There were some green alligators, some long necked geese,
Some humpy backed camels, and some chimpanzees,
Some cats and rats and elephants, but sure as your born,
The loveliest of them all was the unicorn.

A long time ago when the earth was green,
There were more kinds of animals than you'd ever seen.
They'd run around free while the earth was being born,
And the loveliest of all was the unicorn.

Now God say some sinning and it gave him pain,
He said 'Stand back, I'm gonna make it rain'.
He said 'Hey brother, I'll tell you what to do
Build me a floating zoo and take some of those..
(Last line of chorus: Don't you forget my unicorns)

Old Noah was there to answer the call,
He finished the ark as the rain began to fall.
He marched in the animals 2 by 2
And he called out as they went through
Hey Lord, I got some...
(Last line of chorus: but sure I'm forlorn, I just can't find no unicorns.)
Then Noah looked out through the driving rain,
The unicorns were hiding, playing silly games.
Kicking and splashing while the rain was coming down,
Oh those silly unicorns.

The ark started moving, it drifted with the tide,
The unicorns looked up and they all cried.
The waters came down and floated them away
You'll see nor more to this very day.
(Last line of chorus: you're never gonna see no unicorns.)

Watermelon song

Just plant a watermelon right on my grave
And let the juice slip through
Just plant a watermelon right on my grave
That's all I ask of you.
Now southern fried chicken might taste mighty fine
But nothing tastes sweeter than watermelon rind
Pizza
Just plant a watermelon right on my grave
And let the juice slip through
Let the juice slip through, come on baby,
Let the juice slip through.
I said I meant it, I'm here to represent it
Solar system number 9
Sock it to me one more time
Amen brother Ben shot a rooster for a hen
All right, uptight, everything is out of sight.

Web Footed Friends

Oh, be kind to your web footed friends
For a duck may be somebody's mother
She lives all her life in a swamp, swamp, swamp,
Where the weather is always damp, damp, damp.

Well you may think that this is the end,
Well it is but to prove I'm a liar,
I'll sing this song once again,
Only this time a little bit higher!

Whim Away

Whim away, whim away, whim away, whim away,
Ah, ah, ah whim away, whim away, whim away,
Ah, ah, ah, ah, ah whim away, a whim away.
